For a superior finish

Nu Roof Primer:

Clear penetrating coating to prepare worn surfaces for Nu Roof Topcoat. Provides superior adhesion and sealing.

Nu Roof Sealer:

Specially formulated sealer for badly weathered or porous surfaces. Seals and protects.

Nu Roof Topcoats:

Our all-acrylic topcoats combined with our sealer or primer key together to give maximum strength and durability to your roof.

Nu Roof Terraglaze:

Glossy clear coating to restore your terracotta roof to its former glory.

Supa Point:

Flexible roof pointing compound made to meet the highest quality standards as demanded by the Australian consumers. Built to withstand the tough Australian climate.

Roof Coating Product Range
